

SKEETER BOAT BID 2012

The Officers and Board of Directors of the Missouri B.A.S.S. Federation Nation decided to offer the following program to their members.

This program is available to the Missouri BASS Federation Nation because of the Skeeter/Yamaha association with the BASS Federation Nation. The Missouri BASS Federation Nation can purchase one boat per year at Promotional Discount. Shipping, rigging, batteries and Y.E.S. contract charges are extra. This is a standard boat package and options and upgrades are not included in the listed price. Those can be purchased at Dealer Cost. The boat must be one off the list below.

This year's boat will be offered to current "members only" in the form of a sealed bid once again. The deadline for bids is April 21, 2012 at the Board Meeting. After that the boat will be offered to a Skeeter dealer. Anyone that is interested in bidding on the boat "certificate" must send a sealed bid to Jim Zieger no later than April 20, 2012. Once the highest bid is accepted that person will be contacted. They will have to make arrangements for payment to be pre-paid upon delivery. A wire transfer will be preferred.

Bid Requirements:

- 1) Member must be in good standing with the Missouri B.A.S.S. Federation Nation
- 2) A minimum bid of \$3,000.00 over cost will be required
- 3) Include name, address, phone numbers and Club name on your bid
- 4) Only one bid per member will be accepted
- 5) Payment must be received prior to pick up of boat. Proof of financing eligibility will be required prior to ordering.
